December 23, 2005

Congratulations, you have just received one of the most popular and unique gifts ever -- a Gift Certificate for guided fishing trip with a professional guide. A & B Pro Guides Gift certificates are valid for up to two years from date of issue and can be applied toward any type of trip that we offer.

When you decide on the date and species you would like to fish simply call our office, preferably a minimum of three days in advance. At which time we will check our list of 180 guides and charters to find the best possible guide, nearest to your location that can insure the highest chance of success for the type of fishing you would like to do. We can also suggest best dates, locations and species if needed.

When dates have been confirmed and seats are reserved the balance for the total price of the trip (beyond the \$25.00 initial purchase price) will be charged to the purchaser of the gift certificate (up to \$100.00). The purchaser will be notified when the trip is booked and prior to any charges being made. Most guided trips range from \$150.00 to \$165.00 per person for a full-day of fishing. Ocean charters are slightly less, \$80.00 to \$135.00 per person, depending on the type of trip chosen.

Note: Specialty trips which include tuna, halibut, fly fishing, pack trips and overnight trips exceeding the \$150.00 per person maximum would require an additional payment by the recipient or purchaser. These types of trips must be arranged a minimum of two weeks in advance and recipient or purchaser must agree to pay any charges that exceed \$165.00.

Please feel free to call us anytime for fishing updates, or if you need help deciding the best time of year to take your trip, or to find out which location would provide the best opportunities. Certificates are only good for trips booked through A & B Pro Guides.

You may contact us 10 a.m. to 8 p.m. seven days a week at 503-720-9033.

Or by e-mail at [kim@abproguides.com](mailto:kim@abproguides.com)

We wish you the best success on your fishing adventure.
